Jack Theisen
John Theisen

Front-End Web Developer

jack@jackt.xyz

+1 (612) 244-3333

St. Paul, Minnesota

EXPERIENCE

Front-End React Developer & Project Manager

Valorem Foundation

Dec 2021 - Present

As a Project Manager, I am responsible for overseeing the operations of the Front-End Development team. Key tasks I perform are updating the development Trello board, delegating tasks to developers, as well as assisting developers with tasks.

Tools & Technologies

Chrome Dev Tools, Github, Xcode, React.js, HTML, CSS, Photoshop, Illustrator, Figma

PROJECTS

True Crime Quiz

U of M Bootcamp

Nov 2021

A quiz based web-app, it utilizes a secure login, with a profile section, where the user can edit, delete, and create custom questions. This web app uses React.js, CSS, SQL for the user's questions, and Auth0 for the login functionality.
